

RMC 2006 RIDEAU CANOE TRIP LA CHASSE-GALERIE 2006

From September 21 to 28, fifteen Ex-Cadets will paddle a 34' voyageur canoe from Ottawa to Kingston. The canoe will arrive at RMC with much fanfare, in time for the Legacy Dinner and the Reunion Weekend.

This is a five-star canoe trip, with the best hotels and food on Colonel By's historic Rideau Canal – no portages, no pemmican. The last voyage was in 2001 and the next one departs in 2011, all going well.

The paddlers are raising money for the new **Danny McLeod Athletics Endowment Fund**. To date the RMC Foundation has received \$62,000 in pledges and donations, with more coming in every day.

To contribute to the cause, you may donate online at www.rmclubfoundation.ca or write a cheque to the RMC Foundation and specify the "Danny McLeod Athletics Endowment Fund."

Would you like to join this stalwart band of paddlers? There are still a few seats left. Persuade your friends and classmates to donate a mere \$2,500 and you can take your place among the voyageurs. You pay your own modest expenses and in return you get a red shirt, a paddle, callused hands – and memories to last a lifetime. Ladies, members of the Old Brigade and all those with stout hearts are welcome. Contact "le bourgeois" – 8788 Geoff Bennett at 250-853-7515 or geoff.bennett@shaw.ca.
